RAKUTEN REWARDS, REFER A FRIEND CAMPAIGN

Rakuten Rewards is one of the largest global cashback eCommerce shopping sites.

Rakuten Rewards became an M&C Saatchi Performance client in 2021 during Big Give Week when participating merchants offered the greatest Cash Back and rewards of the year.

After running an initial campaign focusing on incremental app installs and new member sign-ups we were briefed to run a campaign to support Rakuten during the highly competitive Holiday shopping season as well as promote their 'Refer a Friend' program.

CAMPAIGN APPROACH

OBJECTIVE:

Position Rakuten as the #1 Cash Back brand among A18-35 in the US by partnering with macro influencers across Instagram, TikTok, and YouTube.

THE GOAL:

Drive new member signups & first purchases through each of the influencer's unique referral links

THE STRATEGY:

We selected influencers across Instagram, TikTok, and YouTube.

Selection criteria for selection included; 1M+ followers, a strong engagement rate, and brand-safe content targeting top shopping categories like beauty, fashion, moms, and personal finance.

‘REFER A FRIEND’ EXAMPLES

We collaborated with 11 macro influencers to promote the 'Refer A Friend' program on TikTok, Instagram, and YouTube using creative concepts that were authentic to the influencer’s channel – e.g. shopping hauls, vlogs, sponsored integrations, etc.

The strategy was to use influencers with significant reach, at least 1MM followers, and encourage them to sign up for Rakuten using the influencer's referral link by offering an increased sign-up bonus, $30-40 vs the standard $10 bonus when making a qualified purchase.

By drawing attention to the RAF program, new members could welcome their friends & family to use Rakuten by sharing their own referral links and continue receiving a bonus for each new member referred.
