CASE STUDY:

RAISING BRAND AWARENESS THROUGH PODCASTS

M&C SAATCHI PERFORMANCE

TickPick

ABOUT TICKPICK

Based in New York, TickPick is an online marketplace for event tickets.

TickPick is known for being the original no-fee ticket site that guarantees the best prices on tickets to live events.

The TickPick platform includes multiple payment options including Zip, a buy now pay later company, to allow their consumers to split their payments into multiple instalments.

CAMPAIGN CONTEXT

M&C Saatchi Performance worked with TickPick for a three-month co-branded campaign between July and October in 2023.

The campaign objective was to drive brand awareness amongst sports and entertainment fans while highlighting the client's partnership with Zip.

The campaign exceeded awareness KPI goals and saw a halo impact through app installs and web conversions.

CAMPAIGN APPROACH

THE OBJECTIVE:

Raise awareness of TickPick amongst sports and entertainment fans.

THE CHALLENGE:

The ticket resale market is highly competitive, with multiple options available to potential customers to choose from.

OUR APPROACH:

The campaign consisted of audio ads purchased through podcast network RedCircle to fulfil the following goals:

- ❑ Increase brand recognition through host-read audio ads in categorically-aligned podcasts
- ❑ Feature Zip prominently in the script and highlight savings with Zip

KPI goal: Reach and Site Visits for podcast campaigns

CAMPAIGN TACTICS

REACH PROSPECTIVE USERS THROUGH THEIR FAVORITE PODCASTS AND DRIVE ENGAGEMENT BY HOST-READ ADS

- Drive brand awareness through host-read podcasting campaign across 12 different RedCircle shows.
- Curate shows around Sports and Entertainment (including comedy, TV, music) verticals that primarily revolved around TickPick's core audience demographics
- Develop a script that highlighted TickPick and Zip's offering comprehensively while also leaving room for hosts' personal anecdotes
- Conduct a brand lift study to quantify the impact of the podcast campaign for a relevant audience for TickPick's campaign
