CASE STUDY:

# RAISING BRAND AWARENESS AND DRIVING CONVERSIONS THROUGH PROGRAMMATIC DISPLAY

M&C SAATCHI PERFORMANCE

TickPick

# ABOUT TICKPICK

Based in New York, TickPick is an online marketplace for event tickets.

TickPick is known for being the original no-fee ticket site that guarantees the best prices on tickets to live events.

The TickPick platform includes multiple payment options including Zip, a buy now pay later company, to allow their consumers to split their payments into multiple instalments.

TickPick

# CAMPAIGN CONTEXT

M&C Saatchi Performance worked with TickPick for a three-month co-branded campaign between July and October in 2023.

The campaign objective was to drive ticket purchases amongst sports and entertainment fans while highlighting the client's partnership with Zip.

The campaign exceeded KPI goals across performance tactics. The client saw a higher uplift in transactions through Zip than forecasted.

# CAMPAIGN APPROACH

## THE OBJECTIVE:

Drive online sales amongst sports and entertainment fans.

## THE CHALLENGE:

The ticket resale market is highly competitive, with multiple options available to potential customers to choose from.

## OUR APPROACH:

The campaign focused on programmatic display via DV360 to fulfil the following goals:

- ❑ Drive users to the TickPick website to purchase
- ❑ Feature Zip prominently in the creative and highlight savings with Zip
- ❑ Utilize cost-efficient display banners to achieve high reach against the target audience

KPI goal: Cost per Web Sale

# CAMPAIGN TACTICS

## DRIVE TICKET PURCHASES THROUGH A BALANCED MIX OF PROGRAMMATIC PROSPECTING AND RETARGETING

- Execute performance-driven strategies and optimizations led by our in-house trading specialists
- Harness the power of DV360, (a DSP with access to Google's extensive 1st party data)
- Utilize DV360's unique creative formats to diversify messaging and highlight both TickPick and Zip's core offerings
- Acquire new users through Affinity, Contextual, Discovery, and Lookalike targeting
- Run a retargeting campaign alongside the prospecting campaign to ensure prospective customers move through the ticket purchase journey
